NOTES:

- ARTS 103 must be taken before any 300 or 400 level traditional or new media course for students outside the BED and BLA degrees.
- Credit for study abroad (CARC) courses may not be applied to the minor in Art if an on-campus course containing similar content is applied to the minor.
- Students selecting the traditional media emphasis must take ARTS 111, or ARTS 212 prior to taking ARTS 305 or ARTS 308.
- Students choosing to complete the minor in Art are strongly encouraged to select traditional/new media courses with related content. These include ARTS 305 and ARTS 325; ARTS 310, ARTS 311 and ARTS 312.
- Students taking VIST 372 must have completed VIST 284 Visualization Techniques which introduces 3D modeling and animation software.

Application: Students must receive signed approval from the Department of Visualization Undergraduate Program Coordinator. After approval, application is completed through the student's home college/department.

Eligibility: Students applying for a minor in Art must have a minimum 2.75 GPR overall. Note that some colleges/departments do not permit their students to minor. Eligibility for the minor can be determined through the student's major advisor.

Satisfactory Completion of Courses: To be awarded the minor in Art and receive transcript recognition, students must maintain a "C" average or better in all courses completed as part of the minor in art.

Transfer Courses: The student's home college/department may grant, with agreement from the Department of Visualization, transfer credit for no more than six credit hours. Transfer credit will not be accepted for any 300 or 400 level course.

Advising: Per University guidelines, the student's home college/department is responsible for advising students pursuing a minor in Art.

Degree Audit: The degree audit in Compass will certify during the semester of their graduation that students have met the requirements of the minor. The minor will be recognized after graduation on the transcript.
